SCHEDULED COURSES

Classes 9:30 a.m.–4:30 p.m. Advance registration required at (252) 504-7758 or online at ncmaritimemuseumbeaufort.com/events/. Friends of the NC Maritime Museum (FoM) receive a 10% discount.

Introduction to Wooden Boat Building

January 15 & 16, February 5 & 6, April 2 & 3, June 11 & 12, September 10 & 11, November 12 & 13

Students explore the art of boatbuilding in this two-day hands-on course, beginning with lofting, and moving on to the setup, steam bending and different methods of creating the backbone of small boats. They also learn planking methods, both carvel and lapstrake, and use of appropriate fasteners. After two days, students will have the knowledge, skill, and confidence to choose a design and style of boat to build on their own. (12 hours).

Fee: \$180. FoM: \$162. Minimum age: 16 yrs. old

Half Model Class

February 26 & 27, March 26 & 27

Students learn how to read a set of plans and use the basic woodworking tools most commonly found in a boatbuilder's tool kit to shape a lift half-model of a North Carolina Shad Boat. The models are completed in a step-by-step procedure ready to start applying a finish. (12 hours).

Fee: \$120. FoM: \$108.

Lofting a Boat

March 5 & 6

Students will learn how to "loft" or the process of taking information from a boat plan and drawing it out in full scale in preparation for creating templates to build a boat. This is one of the first steps in many boatbuilding projects. For the purposes of this class, the student will draw a six-foot boat.

Fee: \$110. FoM: \$99

Build a Boat in a Day

June 25, July 9, 15, 30, August 11, & 20

Each participating team assembles a prepared kit for a small flat-bottomed plywood boat suitable for paddling. The boat is 12' long, 32" wide, and weighs about 40 lbs. Each boat will be completed to a watertight condition and ready to take home for paint or varnish. Teams are limited to a maximum of 4 persons, at least one of whom must be an adult. (6 hours).

Fee: \$630. FoM: \$567. Minimum age: 8 yrs. old.

AVAILABLE COURSES

These classes are available to be booked to fit your schedule. Minimum age; 16 yrs. old. If you are interested in scheduling a course, please call (252) 504-7758.

Build Your Own Stand-Up Paddle Board Course

Call to schedule

Participants build their own stand-up paddle board custom-fit to their size from cedar and plywood. Builders will be responsible for varnishing or painting their new boards at home after finishing the course. (24 hours).

Fee: \$1,040. FoM: \$936.

Lift Half-Model Making Course

Call to schedule

Students learn how to read a set of plans and use the basic woodworking tools most commonly found in a boatbuilder's tool kit to shape a lift half-model of a North Carolina Shad Boat. The models are completed in a step-by-step procedure ready to start applying a finish. (12 hours).

Fee: \$120. FoM: \$108.

Build a Stitch & Glue Kayak/Canoe

Call to schedule

Each participant in this class will use the stitch and glue method to build a boat, preselected in consultation with the instructor from a range of styles. Suitable types include performance kayaks 11–14 feet long, 17-foot sea/ touring kayaks, 12 to 14-foot canoes, or a 12-foot pram or rowboat. Participants will complete their boats to the point when they are ready to take home to be painted and/or varnished. (60–72 hours).

Fee: \$780–\$1,300. FoM: \$702–\$1,170.

Paddle/Oar Making Course

Call to schedule

Participants can choose to make a canoe paddle, stand-up paddleboard paddle, kayak paddle, or pair of oars in this two-day class. Each participant will take home a paddle or pair of oars ready for paint or varnish. (12 hours).

Fee: \$290 for paddle; or \$340 for a pair of oars.

FoM: \$261 for paddle; or \$306 for a pair of oars.
