

Education Internship
North Carolina Maritime Museum in Beaufort
315 Front Street Beaufort, NC 28516
Summer 2026
Sponsored by The Friends of the Museum

About

The Education Section of the North Carolina Maritime Museum in Beaufort is in search of a well-qualified, energetic, and responsible student to fill the role of Education Intern for the Summer of 2026.

The education internship opportunities include:

- Assisting instructors with our annual Summer Science School classes for grades 1-6
- Assisting with programs for youth organizations, community events, and field trips
- Additional opportunities may exist for helping with other museum departments including artifact collections, exhibits, and the Bonehenge Whale Center.

This is a great opportunity for students pursuing degrees in education, history, marine science, biology, museum studies, natural sciences, or cultural resources.

Candidates do not need to be enrolled in one of these specific programs, an interest in our museum and a desire to teach in informal settings is more important!

Expectations

- Over the age of 16
- Neat appearance and friendly, mature demeanor
- Preference given to those certified in first aid and CPR
- Comfortable working outdoors
- Comply with the dress code requested of class/program participants
- Provide their own personal materials (field clothing, footwear, water bottle, etc.)
- Transportation to and from work

Schedule

Length of Internship: 8 weeks, June 8, 2026 – August 7, 2026 (No work week of 4th of July)

Work Schedule: Part time, Monday – Friday, typically 8:30 a.m. to 12:30 p.m., days and hours will vary depending on workload, averaging 20 hours per week.

Stipend

Amount: \$2,500 Disbursement amount/frequency: first disbursement of \$1,250 will be July 2nd, second amount of \$1,250 will be July 31st.

How to Apply

Submit a resume containing your school and course of study, work and volunteer experiences, two professional and one personal reference, and your contact information, via e-mail by April 15, 2026 to Curator of Education Courtney Felton, courtney.felton@dncr.nc.gov and Associate Education Curator Christine Brin, christine.brin@dncr.nc.gov

More Info For more information about the internship call 252-504-7740.
